Dear Mr. Posner:

I am an Associate Professor of Sociology here and I am planning to teach a special one-month course on the JFK assassination this coming Jan.'95. I would like to use some of the most recent books that have appeared, including your Case Closed. I would like to know if there is to be a reprint of Case Closed or when the paperback edition will be available, especially if the reprint or paperback are likely to appear before November when I will have to place my order for this course. I would also be grateful for any other educationally-useful materials you would suggest I use for this course. Thank you for your time.

Sincerely,
Gerald Ginocchio
